QUALITY POLICY

iC-0000-QA-POL-0001

iContracting specialises in the provision of civil construction, maintenance, and mining services. iContracting also recognises that understanding and exceeding our customers' expectations is critical to our success.

Our commitment:

- We are committed to setting the standard for quality and service in our industry.
- We will comply with all statutory obligations, together with the requirements of ISO 9001:2015.
- We will apply and regularly review our systems across all levels of our business.
- We will be open, transparent and accountable in all aspects of our work.
- We will strive to deliver consistent and predictable outcomes for our customers and stakeholders.
- We will measure our performance against the requirements of our quality system.
- We are committed to the continuous improvement of our processes and systems.
- We will clearly communicate the expectations of our customers and stakeholders across our business.
- We will establish quality objectives and review annually

Craig Mack
