CIVIL CONSTRUCTION | MINING SERVICES
OPERATIONS AND MAINTENANCE | MINE REHABILITATION

Built for the Pilbara

PRACTICAL CAPABILITY • PROVEN DELIVERY

iContracting Pty Ltd combines technical expertise with on-the-ground experience to deliver civil infrastructure, mining support, operations and maintenance, and mine rehabilitation. Based in Western Australia, we work across major Pilbara operations.

OUR GOAL

Our goal is simple: to work in partnership with our clients and consistently set the benchmark for quality, safety and reliability across the state.

TIER 1 EXPERIENCE

We have extensive experience navigating the strict compliance requirements, high standards and fast-paced environments of major Pilbara mining operations.

UNCOMPROMISING HSEQ STANDARDS

Safety is our licence to operate. We operate under a Zero Harm philosophy, supported by a workforce that is fully verified as competent for their roles.

GLOBAL CERTIFICATIONS

Our integrated management systems are certified to ISO 9001, ISO 14001 and ISO 45001, ensuring our quality, environmental and safety performance remains world-class.

DIGITAL TRANSFORMATION

We use a modernised, technology-driven management suite, including Procore, Employment Hero and Acorn, to optimise our project management, human resources, training and fleet lifecycles.

Four services. One delivery focus.

CIVIL CONSTRUCTION

Lump-sum civil infrastructure: major roads, bulk earthworks, site clearing, tailings storage facilities and water infrastructure.

MINING SERVICES

High-volume pre-stripping, bulk load and haul, material loading, and mobile crushing and screening.

OPERATIONS AND MAINTENANCE

Long-term civil teams for road maintenance, drainage clearing, mine-site earthworks and exploration tracks and pads.

MINE REHABILITATION

Waste-dump shaping, borrow-pit and exploration-track rehabilitation, topsoil placement, revegetation and reseeded.

Our values. Shared opportunities.

Our values shape the way we work, the decisions we make and the relationships we build. They are the foundation of our culture and the standard we hold ourselves to every day.

ACCOUNTABLE

We take responsibility for our actions and commitments.

INDIGENOUS OPPORTUNITY

We create employment and business opportunities for Indigenous Australians.

VALUE HUMAN LIFE

We value human life and safety above all else.

TEAMWORK

We work together to achieve our goals.

CONTINUOUSLY IMPROVE

We seek better, more sustainable ways of working.

RESPECT

We treat everyone fairly, ethically and with respect.

STRONGER TOGETHER

iContracting works in partnership with Indigenous businesses to support local participation, create opportunities and deliver projects across Western Australia.

Muntulgura Guruma and Lorrex Contracting are 50/50 partnerships with iContracting, combining local knowledge, community connections and Indigenous participation with iContracting's operational capability and project delivery experience.

MUNTULGURA GURUMA
50/50 PARTNERSHIP

LORREX CONTRACTING
50/50 PARTNERSHIP

LOCAL KNOWLEDGE • COMMUNITY CONNECTIONS • SHARED DELIVERY

ACKNOWLEDGEMENT OF COUNTRY

iContracting acknowledges the Traditional Owners and Custodians of the lands and waters on which we operate and pays respect to Elders past and present. We recognise Aboriginal and Torres Strait Islander peoples' continuing connection to Country, culture and community.

SELECTED PROJECTS

Experience in action

Civil works, road maintenance and mining support across major Pilbara operations.

240 km

UNSEALED ROAD

LONG-TERM MAINTENANCE

47 km

SEALED ROAD

CONSTRUCTION

OPERATIONS AND MAINTENANCE

FORTESCUE SOLOMON / NANUTARRA ROAD

Long-term maintenance of Nanutarra and Hamersley Road and Eliwana Rail and Solomon access roads.

CIVIL CONSTRUCTION

RIO TINTO / GUDAI-DARRI, BROCKMAN AND NAMMULDI

Construction of 16 km of internal mine roads at Gudai-Darri, including the mine entrance and light-vehicle access roads, and approximately 31 km of sealed mine access road at Brockman and Nammuldi.

MINE REHABILITATION

RIO TINTO / TOM PRICE

North East Prongs 2 Waste Dump: waste dump and slope reshaping, rehabilitation of the footprint area, topsoil spreading, ripping and seeding.

MINING SERVICES

BHP / MINING AREA C, SOUTH FLANK AND NEWMAN

Mine Stemming Services: production of stemming material in line with BHP's monthly crushing volume forecasts.

OUR CLIENTS

HANCOCK
IRON ORE

BHP

RioTinto

Fortescue

MORE PROJECT EXPERIENCE

- Rio Tinto Gudai-Darri / Incremental Tonnes bulk load and haul (completed 2025)
- Fortescue Solomon / Queens Hydraulic Barrier and Brads TSF works (completed 2025)
- BHP and Hancock Iron Ore / mine stemming services (current)

People behind our capability

OUR PEOPLE

Our people deliver civil construction, mining services, operations and maintenance, and mine rehabilitation across varied roles and operating environments.

OPPORTUNITY FOR ALL

We recruit skilled and motivated people. We support meaningful employment and training pathways for Indigenous Australians and welcome people of all backgrounds.
